

Your viewing guide

A few things to check when you visit a home.

Before you arrive

Confirm the address, meeting point, and appointment time.

Bring your questions and a way to take notes.

During the viewing

Try the doors and windows, and check storage space.

Ask about utilities, maintenance, and move-in timing.

Take a moment to listen to the street and surrounding rooms.

After the viewing

Compare the home with your priorities and budget.

Reply in the same conversation with any follow-up questions.
